

All three (3) parts should be typed.

Part I:

Personal Sports Ethics Philosophy: This semester we have discussed ethical theories, decision-making models, and leadership theories. Write your own personal philosophy of ethics.

Part II:

State of the Ethics of the Sport Industry: Choose a part of the sports industry you are interested in and write about the state of that sport industry as it applies to ethical concepts.

Part III:

Identify an ethical dilemma in sports that was not discussed during the debates. Research the dilemma and write arguments supporting both sides.

EXPECTATION: Each part should be a minimum of one (1) double spaced page.

Even though you are emailing the document, make sure your name is on the top left corner of each page. You do not need to use MLA format but do have your name at the top of left corner of each page. All assignments turned in after 5 pm on Friday will have a letter grade deducted from grade.
